

got food?

"In Hawai'i, music, family and food makes for great pā'ina. We need to ensure that all of Hawai'i enjoys a great pā'ina. No one should go hungry."

Over **16 million** children go to bed hungry in America everyday.

Every dollar donated to Aloha Harvest, helps to rescue 2.9 lbs of food.

1/3 of all food produced worldwide is wasted or thrown out,

that's **1.3 billion** tons of food each year!
