Re: Letter of support

Dear Ms. Williams:

Honolulu Community Action Program, Inc. (HCAP) is pleased to write this letter of support for Aloha Harvest's request for funding to expand operations by increasing the hours of operations, and conducting outreach and education to potential food donors.

We receive food donations from Aloha Harvest, and this helps us in our work to feed the hungry. Annually, HCAP provides food to approximately 1,080 low-income individuals or families in need of support. The food that is provided by Aloha Harvest, free of charge, enables us to provide a service we normally wouldn't be able to do.

HCAP offers a variety of programs and services to low-income individuals and families on the island of Oahu. Our mission is POI: Providing Opportunities and Inspiration to enable low-income individuals or families to achieve self-reliance.

We appreciate the partnership with Aloha Harvest, and urge your support of their important work.

Sincerely,

Tehani Diaz

Director of Community Services
