Honolulu, Hawaii 96816

Dear Aloha Harvest:

I am writing on behalf of the Susannah Wesley Community Center to share our deepest appreciation and support of the work your agency does to provide food to persons in need of food or in need of additional food to feed their families.

Your efforts to obtain and distribute good, nutritious, and filling food in a timely and safe manner is much appreciated. The drivers that deliver the food have been courteous, friendly, and well organized. The food supplied adds to the agency's emergency food pantry and we are able to provide more food to individuals and families in our community.

We are happy to work with Aloha Harvest and look forward to a long partnership as we share in the mission of maintaining the well being and vitality of the communities we have been entrusted to serve.

Again, we strongly support the Aloha Harvest and really are behind your motto of "Rescuing Food to Feed Hawaii's Hungry".

Thank you for inviting us and providing us an opportunity to express our thankfulness and appreciation for the work of the Aloha Harvest. If you have any questions please feel free to contact me.

Sincerely,
